Dear Mr. Vice President:

In response to a note from the President, we have completely revamped the PDB to provide a more complete review of developments around the world and to do so in as brief a form as possible. A new PDB will be circulated this week.

In this connection, I want you to be aware that Denis Clift provided very useful insight and a number of helpful suggestions on ways to improve the PDB. A number of Denis' suggestions have been incorporated into the revised PDB.

Please convey to Denis my appreciation for the time and effort he very kindly volunteered to assist us.

Yours sincerely,

STANSFIELD TURNER
